My dear nephew Selden
Only to think of
it, tomorrow will be
your seventh birth-
day anniversary, and
I do wish you a very
happy day, I wish
you were here this
very minute, this
little valley is so

green & beautiful
and I want you to
see it & enjoy it with
Grandma & me

I wish I had a
nice good book to
send to you as a
remembrance, but
I do not even know
where to find a
birthday card -

I hope the enclosed

will help you get
some thing you
like - I have written
in a hurry, aunt
Mary has invited
us to go with her
to Belvidere to Dr
Stems class - and I
must go and get
ready,
with love to your
dear papa, mama,
Willie & all your
