

January 4, 1914.

Dear Mother

We are having a very warm bit of weather today! A Chinook has been blowing all day + there is hardly any snow left. I wonder if it is as warm in Oberlin? Raining there I suppose!

We received a nice box of home-made candy from Oberlin. It was awfully good. Did you or Mary send it? If you did please accept our most heartfelt thanks. I didn't recognize the handwriting.

Will is at the scrip again + I am alone too. It gets very lonesome.

We were at the Mammen's for New Year's dinner + had a fine dinner. In the evening we were invited to the Stewarts. They had some genuine good ice cream!

I wore a collar + necktie!!! Our clothes do look sort of frizzled out I guess.

Lots of love to you + Mary
Selden.
