My dear Selden:-

I was awfully glad to hear from you, and your Niagara postal is beautiful; Every body admires the photographs in my album, and says you do good work.

I had a letter from Mrs. Newell, and she also told me that you had oiled the dining room, & were going to do more work. It is not easy to write letters when you are visiting, and that is why I have not written you

(2)  
before. I have written today to  
both Millie + Evelina. The latter  
will show you her letter so I won't  
repeat the news, but just answer  
some of your letter.

Dupree ought to be paid right  
away. She is at Mrs. Cooley's.  
She came July 11 + stayed till  
the Sep. 1 - The last two  
weeks were to be four dollars  
the others three fifty. Accord-  
ing to my calculation it would  
be \$27.<sup>00</sup> (twenty seven) dollars  
that I owe Dupree. Please  
see when getting it right  
away. Ellen says Dupree

(31)

had received some money from  
Mary or some one of the girls  
either \$100 or \$50 which will  
make it that much less.

If you have not already at-  
tended to this, you had better  
consult with Evelina & see  
what she dems is, & get the  
whole business settled up, as  
I don't want Dupree to think  
I am trying to keep her out of  
her money.

When Mr. Kellogg took away  
the rubbish, I hope you

did not <sup>(x)</sup> let him take the  
hamper which had stuff in  
to burn up or throw away.

The hamper was good enough  
to use for a long time. Be  
sure to tell me. The Weirills  
were to cut up the rest of  
the wood themselves, the  
wood in the back yard.

No, I did not expect you  
to get a new hat (~~\$~~2.00) at  
present. The cap would have  
done well enough, but as you  
bought it, be careful of it,  
& make it last. Tell

(5)

Mrs. Allen that you will pay  
her Oct. first when Mrs.  
Kerrell pays Evelina, if she  
can wait until then.

Did you pay the gas bill  
before the ten days was up?

I hope you will see to the  
paint brushes, so that they  
last as long as possible,  
as we can't buy any new  
ones.

Has your razor well be?

Yes, Aunt Mary lives at  
The Florence - 108 E. 18<sup>th</sup> St  
New-York.

but she is <sup>(c)</sup> only there off & on  
in summer. She & Gertrude were  
here for two days last week,  
& she brought Grandma & left  
her here until I go. We will  
probably leave here about  
Mon. 23, & make a little  
visit in Scranton & then  
go to Oxford, but I will  
let you know in time. I am  
very sorry to miss George.

Kilbon;

Ellen goes tomorrow (Tuesday)
