

for it as the note has to be
signed by you before I get
the money. We received
a baby girl the 2nd of last
month Mrs Henderson and the
baby are both doing fine.

Well I guess this will be
all for this time.

Yours truly

Dear Mr Belden

That I would drop
you a few lines and let
you know how things are
going.

I finished the wheat a
few days ago and had a
good rain to start it off
last night we had a good
rain last sun night & as
there quite a bit of more-
over now, she got the whole
place dried and intend to
seed some of the oats this
week and leave the rest for

a while am sending for a box of sticks com
I think that will be snuff for this year and
and I think there is pretty good (that's what the
follow a (Gleichen had) I think that this price
north of the house will be the best place for
it. I'm getting a bigger blow so will be able
to get the summerfallow done in good time.
I think. Green and Beer are both gone but
I'm working them both steady and the are
standing it fine. I believe that Green is
in fact cause she looks pretty big and she
is kind of slow to what she should be. I
hope she is mistaken. Am expecting a couple
of the chickens in next or any time of year
hope the will find of many cause its making
our store bills pretty high, the pig will soon
know to. That speaking of did last Sunday
I don't know what was the matter with her
that she was alright at noon and that night
of even there was something wrong with her so
I brought her in and give her some dope +
that she would be alright but in the morning
she was dead, I burnt the body cause I was a
fraid it was something contagious. There got
up here at the first one cause of tomorrow. I
got a load of oak yesterday (I had but didn't pay
