Dear Will -

You mentioned in your letter to me sometime ago that you would make a reduction on my note if I paid it up. I would like to know just how much you will take. I sold my oat bundles to Leonard Knudson for \$198.00 and I told him he could pay you instead of me so that will be so much. He said he phoned you to find out if it would be alright to let the amount go on the note. Now I might be able to clean up if I knew just how much you would take. I tried to get you on the phone a couple of times but failed.

How are things looking around Calgary. We are having quite a little winter this last few days. I hope it clears up for a spell to give the threshers a chance to get through. I am taking this place another year to try and get some of my debts cleaned up.

well Will it is about Church time so
will close for this time. Hoping to hear
from you at your early convenience.

Sincerely Yours.

Herb Bradford.
