Dear Will

Your register letter enclosing
no letter but a check for
seventy dollars came today.
Thank you ever so much. It
will help our self-confidence.
We are getting along fine. We
couldn't expect to do much
business in January, but our
gross receipts from Monday
to Saturday night have been
forty-eight dollars & sixty-five
cents. That won't pay our
expenses & board too, but we
are making friends & getting

business & people interested &
 starting to come.
 Write whenever you can.
 Selden
