Mrs. W. H. Belden
Oberlin, Ohio.

My dear Madam -
I have
learned of you and
your family through
our mutual friend
Dr. J. H. Adams of Clieston
Spring and I take
the liberty of writing
to you because he has
told me that I may
possibly find with you

a home for my daughter
who expects to enter the
Freshman class at Oberlin
next September. Dr. Adams
was not sure that your
home was open for
boarders but thought
so. In case you can
receive my daughter
I can refer you to
Dr. Adams for information
as to her character. He
has already given her
a letter of introduction
to you. Will you kindly
inform me as to your
rooms and charges

at your earliest conven-
ience? She would
prefer a small room
without a room-mate
for the first term but
that is not strenuously
insisted upon.

If you cannot re-
ceive her any sooner
than which you can
give me in regard
to places where she
would be taken will
be considered a special
favor.

Most truly yours
Celeste E. Rogers.
