Dear Sir.

I am glad to know that you have become pastor of the Church at Bristol. By the recommendation of Rev Arthur Anderson of Meriden I called this last spring on your Committee with reference to the presentation of our cause. Being with out a pastor it was deemed best to defer my coming.

Perhaps we can arrange for a date in the future. I send you herewith some of our literature & will send the Recorder quarterly to your address. Wishing you much success & blessing I am sincerely yours.

J. L. Maile
