Phila. 2<sup>d</sup> Sept. 1889

Dear Bolden:

Thanks for yr  
note of 23<sup>d</sup> ult. I've been away for  
a whiff of sea air — was at Cape  
May Point three days with friends,  
but am now back for steady  
work again here.

Is there's a deficit of \$5.75  
in our I.M.U. ac<sup>t</sup> is there. Why  
didn't Park say so at Brighthampton.  
Well let's pay him up. I'll send  
him a dollar towards it, or shall  
I send it to Treas. Wyckoff, to whom  
Park sh<sup>d</sup> send his bill?

I think we had better regard  
Clifton Springs as settled for next  
year's Convention. David has waked  
up at last & cordially concurs, so  
we are a big majority now! Please let  
me know when you & Grace confer. The  
date of Con<sup>t</sup> may wait a bit, I think,  
Thought that too sh<sup>d</sup> be settled, early & notice  
given through all the papers. Let us never  
be caught again as we were this year -  
now about the "Case".

From  
What you say of his symptoms I am  
disposed to doubt as to its being leprosy.  
I advise you to send him to some  
good Hospital - New York, Bellevue,  
for examination & treatment; & that  
soon, for there is no time to lose.

With kind regards to Mrs. B. &  
Yours, ever yours sincerely,  
J. R. Phillips.
