Dear Bro. Belden

Your postal is at hand,
& I trust to respond.

I am to lecture at West Leb-
anon N. H. on Tuesday the 25th of
Nov. & Thursday the 27th in New
York. I could stop at Bristol
Wednesday the 26th & give you
an art entertainment. If
that will suit. I must settle
my plan of journey by the
middle of the week (next) or within
five days. So if you want me

please answer immediately & state
how many programmes you
want (50¢ per hundred) & I
will send them before I start
on my trip which will be the 10th.

You can have your matter
printed on the bottom.

You had better have tickets-
printed like (see sample) if you
want 1000 programmes they will
cost you \$4.00

In haste

Your Bro

J. Lester Mills
