Dear Sir:-

I would be glad to have you advise me where and when the tickets enclosed in your letter of the 13th inst were purchased, amount paid therefor, and why not used; this information being necessary under the rules of the company governing redemption of tickets. Please advise particularly reason for not using the going coupon, as we are at a loss to understand how you could have used the return portion of an excursion ticket without first having received transportation on the going coupon.

On hearing from you again, we will give the matter further attention.

Very truly,

A.G.P.A.
