

Rev Am. N. Belden

Ac Socy Plate

Bridgeton N.J.
July 7. 1890

Dear Mr Belden

Mrs Padgett received
Mrs Beldens letter and
when she gets around to
it she will answer it.

Florence has also received
the letters from the girls

We have not called a
Pastor yet and I write
to ask you which one W.
Scott Dites address is

now I do not mean
for you to write to him
but just give me his
address. I do not know
as we shall invite him
here again but still we
may, have you any opin-
ion as to his fitness for
our field and is he still
out of a church.

We have had good preach-
ers and men that I think
would do good work if
they came but the people
do not seem ready to see

any one yet. Mr Rumer
would be a good Pastor
but there did not seem
to be a feeling in favor
of him. Mr Smith is a
fine preacher but we
could not hear him
without doing something
with the church -
and so it is with one
& another Mr Lyle preached
for us last Sunday week
not as a candidate
but we thought it would
be a good thing to have

him preach and I think
it was seven gables & W. J.
Academy people are away
and some other so it is
an unfortunate time with
us. I think you spoke
as though you knew
something of the Rev. J. Cowles
whose name you gave to me.
which do you know of him.
The one I was we were thinking
of has been called to Bound
Brook - N. J. please send
me Mr. Stiles address as soon
as convenient with regards
to Mrs. Belden and all the
family I am yours very truly
C. S. Padgett
