Oviedo, Fla., Feb. 8/88. Rev. W. H. Belden,
My dear Brother: —

Yours of Jan. 30th is rec'd,
contents noted. In answer I would say
that whatever is best for the interests of
Missions is our pleasure. If the brethren
think it is better to hold the meet-
ing at Bridgeton, by all means do so.
While it would be a great pleasure to
us to have it in Clifton Springs, we could
not wish it there unless it be for the
good of the cause. With kind regards
to Mrs. Belden & yourself,

Your friend
