W. H. Belden,

Cor. Sec. N. S. M.

Dear Brother,

Replying to
your circular letter of the 10th inst.
calling for speakers at the main
meetings of the N. S. M. Nov. 13-19,
I would say that I should be a
novice in speaking at Missionary
meetings. Still I cannot quite
convince myself that it is my du-
ty to decline any work of that kind
suggested by our Presbyterial Committee.
As to the times & places of my speak-
ing, I will leave that to the Synod's
Committee, excepting Tuesday when I
shall be detained at the County Exam.
My thoughts will more naturally

run along the line of "historical
facts". Touching briefly, the vest fields,
the opened gates; results achieved;
Promised; preferred men; scant
funds, which I think comes very
near the first topic suggested
by circular No. 1. pgs 4.

The committee may call upon me
for a few words at the afternoon S.S.
meetings "in case of need".

I shall be glad to receive the
missionary material prepared
for the S. S. meetings. I inclose
one dollar towards their ^{its} cost of
publication as suggested in your
letter to S. S. Supts.

Yours very cordially

Geo. S. Grosvenor
