Dear Bro.

Yours of July 6th

followed me here several days ago.

It is perhaps needless for one, who has been and expects to be "on the field" to say I am in full sympathy with any and all meetings calculated to advance the cause of missions.

If I am in Jersey during the time of the November meeting I will no doubt take an active part some where. However if I am in this country I will

Favorite to speak for Bro. Symmes - factor there.

The cause on the interest in missions is gaining rapidly on the minds & hearts of the Church. Soon a marked difference will be seen & then I meet with an ignorance & indifference that is rather amusing to say the least.

But I must close

Yours sincerely

most likely be in the "west"

In regard to the 2^d & 3^d items I don't know that I have any thing definite that would be of special interest in that line.

Thanks for the 2 copies of the Gazette though I had already purchased one. I immediately sent one to a young man who expects to go to China this fall.

I expect to attend the S. M. Union in August - and have written about it but as I see you are treasurer may I ask the probable expense. Say from New York - ^{how much is expended} I ask this because I am really anxious to go and expect to go but I find expenses here are considerable with my family & mother and I must look ahead a little.

I wonder if we have ever met. I was in Bridgton some time on vacation about 15 years ago, and I have passed through several times. The last time was in February last on my way to & from
