Mr Belden

Dear Sir,

Your letter of
Nov 28th recd and read
with interest. I am pleas-
ed to receive your letters, as
I appreciate, very much,
your continued interest
in my well-fare.

The West Church is
progressing slowly. And
I suppose of course you
hear from it frequently.

Last Sunday, we had
our Communion service,
but there were no additions.

As you did not refer
to the health of yourself or

that of your family. I
suppose the family is well.

And your self, at least, as
well as usual. Hope that
your health will be fully
restored in a short time.

We are all well, and all
those to whom you sent love,
wished to be remembered to you
and send regards to yourself
and family.

I remain, Yours,
John S. Holmes.
