Dear Brother:

Will you be so kind as to give me the home address (U.S.) of Dr. Mary W. Niles, a missionary from China. I see the name among the list of those attending the Union. I was sorry our missionaries from West Africa could not be in attendance, I hope Mr and Mrs. West who have had nine fruitful, years experience in W. Africa may be there next year. Their address is Smithville Ohio.

In His Name  
Your sister
