Dear Belden,

Come Thursday. We have dinner  
a homely one, at 6 P.M. Work out  
anything for a change that you can.

I do not know just how it is, but  
I have a sort of fear of the monotony  
and I cannot devise anything new  
or startling or vigorous. I have  
had to give a large amount of attention  
to these Yafman meetings & have  
carefully studied for hints that we  
might appropriate.

Thinney! Bless you he is on the  
high seas or in England. Left in the  
New York May 1. - Come on the

will have a good time, just  
as long as you can stay -

Yours

Yuhanna

Don Juan

Return Amerman's letter  
to me when you come. I suggested  
to him that he should organize  
the Home Mission Session  
which Mudge had managed  
one or two years - that explains  
his reference.
