

Burlington, N. J.
Oct. 16th 89

Dear brother Pelder:-

I have
yours of yesterday, with
its enclosure. Please send
me fifty copies. This is the
extract of the Bridgeport
News of Oct. 3rd. I have
sent the first sheet of your
letter to Snow, I will try
to see that the leading
papers have notice of
the meetings after their
occurrence. I do not
quite understand, your
urgent request that
copies of the uniform an-
nouncement for Sunday
Nov. 3rd including, also
the next appointments be

prepared now and etc.
I suspected that you
were preparing a uniform
puffin notice, to be mailed
all over the state by
means of your cycle style.
If it is my duty please
inform me at once on
a card. Hallock would
willingly print them
after Syrod adjourns, be-
ing to much pressed
with about the 28th but
that would be true e-
nough for if he could
wait on Tuesday the
29th. I have his answer
to the suggestion only
this morning. Let me
know your wishes, or my
duty in the premises. I
labor under great disad-
vantage in not having

before me, minutes of
the New York meeting
where arrangements were
made; my memory is
poor, and I find that
even our secretary can
forget. I am astonished,
for instance, to learn that
I am chairman of "speakers"
committee. I presume we
are to find sixteen peo-
ple who are willing to
go where we may send
them. But must we
choose their topics as

well as that?
The Presbyterial committee
must inform us then
what churches need such
aid. Do the secretaries

offer their assistance
this year? I will do
at once what I can
in the matter.

Very truly yours
Edward B. Hodge
E. B. H.

P.S. - I presume that the
traveling expenses of speak-
ers will be paid. Is the
money asked for from
the Presbyterys meant to
include this item? I
have our quota almost
all in hand, who is
treasurer?
