My Dear Brother:

Thanks for your kind letter
and kind offer of further information
concerning Clifton Springs.

It is likely I will come to Clifton
accompanied by little daughter
between July 16 and 20.

1. Can you give time of arrival of
Trains from Rochester?
2. Can you suggest to me name
and address of Private Boarding
House where we could stop at
least until I could make
permanent arrangements.
3. Is there any circular of inform-
ation about C. Springs & Coloured
Should I write for it.

Yours Bw R. O. Finney
