Rev. Wm H. Belden

Dear Sir, Whenever you wish extra copies of your articles printed on slips, please send word with the copy; otherwise we are liable to disappoint you. So many articles are put in type and kept for the convenient season or the time when articles are wanted to fill up, that such things have happened as my having on the galley when the forms of the paper are sent to the press, more columns than serve to make up the paper. Of course at such times I am obliged to hasten the printing to get type to set the later articles.

Respectfully Henry Russee

The 2^d 3^d 6th and 7th pages are sent
to press on Saturday; the other four
should go down at noon on Tuesday,
or come back Wednesday afternoon.

A huit etc
