Rev W. H. Belden:

Dear Bro:

Your letter is just received, 5.30 P.M. The list of members of the For Mission Com was not easily obtained, as The Mail & Express, the only evening paper circulating at the Church he had left it out, with the usual fatality attending many things of importance. I caught Rev Dr Stryker however, and obtained from him the list of Clerical members of the Com on For. Missions. He is Chairman. He says they have so far received no papers, everything on

all subjects, going according  
to a late rule to the Com. on  
Bills & Overtures, who dis-  
tribute. The Com' on Bills &  
Overtures have about 100 pa-  
pers committed to them. Dr  
Styker was in a woful hur-  
ry, or I would have further  
recommended the matter.

I shall see him again.

On the enclosed sheet  
you have the names of all  
~~that~~ of the ministerial  
members of that Com on Per-  
missions, and part of the  
Elders.

Hoping to see you  
here,  
Yours fraternally  
Henry Reeves.

I am at Westminster Hotel  
but my P.O. address is as you  
gave it. No paper has come from  
you, but will no doubt to-morrow.
