

Trenton, N. J. June 13th 1887.

My dear Mr. Belden,

Mr. Hinsdale, Chairman of our Com. wrote to brethren in all the towns of our Pres. asking them to publish articles in their local papers. For myself, I shall put article tomorrow in the Gazette, True American, Times, Herald, Emporium, News, and Staats-Journal(?) - German.

Yours, rec'd on ~~Monday~~^{Saturday}, will be valuable.

I enclose copy of mine, and of Mr. Slade's. None rec'd from Dr. Geomans or Mr. Ballentine.

Prof. A. J. Conrad, of Princeton, will speak, if desired.

Truly yours,

W. A. Brooks,

W.A.B.

I have put your conversational article
which is very taking, into the "Association"
a paper published by the Third Church of
Trenton. It will reach Trenton pretty
well. 200 copies will cost about \$2.50,
and postage 2.00 more. Will it pay to
take as much money out of the Com-
mittee's fund, and send a copy to
all our country Pastors, and those
rather indifferent? I am sorry
that I do not feel able to do it on
my own account.

Let me know by Wednesday.

W.A.B.
