My dear Bill:-

If you get mad be-  
'cause I ~~left~~ left the ie off  
from the end of your name, why  
you will have to get over it - that  
is all.

Thank you ever so much for  
stealing that pin and sending it  
to me. It came this morning  
and I feel like calling you an  
angel for doing so.

To tell you the truth, I had a  
faint-suspicion that you took  
the pin off my waist and hid

yet?

I guess I better ~~write~~ <sup>study</sup> my French now. I suppose I ought to tell you not to show this to anyone.

Very sincerely

Chas S. Silder.

it, but as long as you say that you stole it off Clara Baird's dress, I will believe you. Did you go down to the lake after you left us at Elyria? You naughty little boys.

"O shoot!" I am getting tired of going to school already.

I heard that you have been helping "Half a crazy town" do her exercises. I'm astonished. At "Dining, I tell your muzzza on ~~on~~"

Did Selden get my letter? I wonder how they are progressing in the Tank since I left.

Oh dear! oh I didn't mean to say that. "Humph" "nothin"

Thank you again for sending that pin. Hair you got your back

# Suggestions only

Dear Belden: - I have scribbled on the prog.

1<sup>st</sup> I think it decidedly better that all missionaries report to me; that is to only one person. I got badly mixed last year - and Bedwell got bothered.

2. The Y. M. & A. Secy will get a list of Boarding Houses - I assume ~~and~~

He can get them printed, and will answer letters - about boarding. Let it go to anyhow and if he wont I will arrange it all in April when I go down to arrange many things with Mr Foster at his request

3. The time should not be 8 days. Foster was surprised to find it meant 8 days Entertainment and the ~~rough~~ edges of 10 days for some. Then we get perfected - stuffed. I wish we had paid 10 to 16 inclusive and commenced at night - But we must give them an opening time, hour.
