

East Bloomfield, N.Y., July 31, 1897.

Dear Mrs. Belden:

I have arranged for the printing of the pamphlet in Canandaigua by Milliken & Son at the Ontario Co., Times office . I hope you can send him the copy on Thursday morning and with it the Electrotpe heading which is at Mr. Wright's office in your village. Last year Wrs. Thayer paid him \$35 for the 24 page book. He asks \$40 for this, but the Times will print it for \$37.

I hope your family will all survive the dangers of a 4th of July We have had no casualty at our house yet.

With kindest regards to all your household,

Mrs. W. H. Belden,

Clifton Springs, N.Y.
