

Bristol.  
Aug 11.

My dear little Salden:

I am so sorry  
to hear that you are  
sick with the Measles.  
I remember having  
them myself and how  
very badly I felt, and  
how they kept all the  
shuts shut as I was  
almost, in the dark,  
As they have to do that  
for you?

learn his dear Mamma and go  
way up into Mamma to see if he could  
not get better. It was David Cross.  
the brother of the boy who sent you  
the little silk shirt. He is better now  
but are you not glad you can stay  
right at home & get well?

My black pussy cat sends you his love  
he would like to play with you today  
and purr for you.

Good bye dear little boy I hope you will  
very soon be well again.

Very lovingly yours  
Auntie Clara.

P.S. I send you a box of Rhed Animals  
for you to play with when you are better.  
Lena will show you how I am sure.  
C. L. B.

How nice it is that you  
have dear Lena back  
& play with you, just  
now when you want  
her so much. Will you  
tell her that I received  
her nice letter and that  
I shall answer it before  
long. But I thought I  
would write to you just  
because you were sick.  
I have just been writing  
to another little boy who  
was sick and had to
