Rev. W. H. Belden

Dear Bro,

I recd your very  
neat invitation to the  
Annual this coming  
June, I am sorry  
I cannot be present  
at that date on account  
of Public schools here  
which my children  
attend not having  
closed. I am very  
sorry not to be there  
at the meeting,  
although

I have no special subject to bring  
up yet I would be interested in  
all or anything brought up. I would  
like very much to spend the week  
with my brethren but I cannot now  
see how. But perhaps the way for  
this profitable pleasure may be opened.  
My Name: ~~Rev~~ Mrs Chas. Leaman  
2 children (girls) 14 & 16  
Society, Board of F. M. Presbyterian  
Church (North)  
Field, China, place Nanking  
since, since fall of '74

I am now home for rest & expect  
to return to field in the Fall.

I would like to ask as I  
am not able to get to the meeting.  
If myself & family could find cheap  
& suitable accomodation, in any way,  
to spend a month or so in July  
staying not as patients but only  
for a quiet recovring in your  
delightful place, what might be

The terms &c.

Again expressing  
our sorrow for not  
being able to be present  
& expressing to you  
our most hearty &  
sincere thanks for your  
kindness, and praying  
God's best blessing on  
all your labor  
of love & that the  
Holy Spirit may  
rest in fullness on  
all our brothers &  
sisters

Sincerely  
Chas Leaman
