Rev. W. H. Belden -

Clifton Springs, N.Y.

Dear Mr. Belden -

Your letter has been under consideration for three days, and I have tried to plan some way to leave my mother, who is a partial invalid, and my three-year old niece, a motherless girlie whom I have with me for the summer -

It is a very great disappointment to give up the meeting, but I see no other way -

I should be very glad to meet you and Mrs. Belden, especially as your names have been

associated with our mission
since my connection with it -

Will you please send or
give this letter to Lizzie Clarke,
and use your influence to-
wards giving me a visit from
her and Mr. Clarke and Joe
after the convention?

Knowlesville is our nearest
station, two miles and a half
from home, and there is no
change of cars ^{on some trains} from Clifton.
We are thirty seven miles west
of Rochester on the Falls Branch
of N. Y. C. R. R.

Have you heard that Miss
Sara Graves goes out in July
to take my place for a year
or two?

Yours sincerely -

Mary L. Matthews.
