My dear Gen Baldwin.

I have just received word to go to Panama D. C. for the summer. I thought that on my way out I would like to stop at Clifton Springs during the Mission Meetings, provided that I could come among those who are entertained. I have applied to the Board to go as Foreign Missionary to China, and ought to get an answer in a week or so. Would this make me eligible to the entertainment? I thought I would like to go to these meetings for I do not know when circumstances will bring me that way again. Will you kindly let your Secretary or know as soon as possible? Calvin Wright
