Rev. W.H. Belden,  
Sec'y Int. Miss'y Union,  
Clifton Springs, N.Y.,

Dear Sir:-

I am planning to attend the meeting of the Union this year,  
and <sup>wish</sup> ~~plan~~ to stay at Clifton Springs for a short time after the meeting.

Mrs. Wright will go with me. We are under commission of the  
"American Board", having entered the Mexico mission in 1886, and are  
going home for a few months of rest.

As my time at home will be so short, and I am in need of as much  
quiet during that time as I can secure, I shall prefer not to speak  
at all, and therefore do not name any subject in which I am especially  
interested.

Sincerely yours,

A. C. Wright
