Oct. 17th. 1892.

Dear Mr. Peabody:-

I do not think that I have ever looked at our missionary group without remembering you probably to send you the names of those whom we did not recognize, but these weeks have been busy ones and I have not found time to do it. Now I find that I do not remember which names were lacking, so I will send you all and you can select the ones that were wanting.

The white haired gentleman in the back row is Rev. A. M. Medwin of Chile, now, I think, living in California. Mr. Ellis of Chile stands at his right and Dr. Frank Newton at his left. In the next row beginning with Mr. Peabody are Dr. Puffer (late) Mr. Mc

Gov. of India) Mr. Pond (son of Colman, S.A.,
formerly Syria) Mr. Ferris (India), Son of
next row Mr. Good (Africa) Mr. Tracy (India)
Dr. McDonald (Siam) Mr. White (China) Dr.
Ellinson & Mr. Whipple (Peru) Mr. White,
Dr. Samuel Jessup (Syria) Mr. Beal (Mexico),
In the next row, Mr. Howe, (Siam), Dr. Howe,
Mr. Fulton (China) Mr. Jessup, Miss West
(Turkey). In front Miss Smith (Japan) Dr.
Chamberlain (Brazil) Mr. Brown (Lars)
Mr. Rankin, Mr. Fuller.

I have taken the views from the positions
of the heads, rather than the bodies and
hope that you will be able to find the ones
that you want.

Mr. and Mrs. Eddy sailed on Saturday
on the Alaska, Father and I went to New
York to see them off and we hope that they
will have as pleasant weather all the week
as that in which they started.

Yours-

Fanny C. Keller.
