

don't want him to stop now,
this is a loan. Of course
the girls want to pay
Mrs. Hawkins + will.
Can she wait a little? I
feel that I must keep
sending Dr. Pradley a
little all the time, & for
see this makes only a
hundred I've sent him
& I owe him \$205.00. I'm
afraid my money goes too
fast. I have had quite
a little expense for my new
room, which I feel badly
over, but I'll make it up.
This week I began some
private teaching. Last
week I saved over a dollar
by some mending & ironing

I did. It seems as though
I ought to have more to send
home. I just looked in my
pocket book & there was
only enough to pay board
& room of a few dollars
over for incidentals. I could
put off paying the board
room if you are in a hurry;
but that only means double
to pay next time, which is
harder, & no help in the long
run.

I must go to class — Lots
of love to the dear family
at home. Thank Truly
for the Oyster card.
Mary.
