

Are you good girls like Rose
& Lily, & go to sleep when you
are put to bed? Does Aunt
Jennie sleep in Mama's bed?
I saw a great many horses
& carties.

I want to see my dear little girls
very much, & send you each a kiss

(M.)

(E.)

Be very good and
Kind to Every body.
Mama will soon
come home to see you.

Good bye, sweethearts.

Your loving Mama.
