Thursday Morning

My dear Mamma and Papa, -  
It is quite early yet  
and we haven't had breakfast yet,  
but we are getting along very nicely.

Yesterday afternoon Caribel took the  
baby down to the Sanitarium and  
so today Ethel and I are going to take  
her to see Mrs. Lichty. Auntie and  
Grandma saw Dr. Lichty at church  
and said he was going to come up  
and see the baby. It is raining this  
morning so I don't know after all  
whether we can take "Sister" down this  
afternoon.

Yesterday when the rest were at

church I took care of "Sister" and told  
her bits of stories and she seemed to  
be quite contented with me.

I have been reading "Crisis & Endward"  
Papa, I read it quite a while yester-  
day.

I hope you are having a lovely time  
and a good rest. We think of you  
most of the time. I suppose you  
went to a Presbyterian Church yester-  
day. It is the first time you have been  
in one since we have lived in Clyn  
isn't it Papa?

Mary Kirby began school today I  
suppose. Evid said she was going  
to.

There is a letter here of Papa's that  
has been in the box ever since before

you went I guess. Grandma said  
we should send it this morning.  
It is to the Rev Charles Leman,  
Worster, Ohio. I suppose it was  
meant to go as it was in the box

Caribal looked for the hat at the  
Sanitarium, but didn't find it.

The boy just came from Warranah  
The charges on it were eighty cents,  
and I paid ~~that~~ out of the money  
you gave me Mamma.

Miss Warfield isn't here today,  
she couldn't come.

We all wish you a very very  
happy time, and hope you are  
having a good rest.

With lots of love from Mamma.
