

My dear Ellie,

We are very anxious
to hear from you and get your
ideas as to what should be
engraved on our Tomb-stones
for Uncle & Aunt E. & the
Uncles also for the two little
brothers. cannot you give a
form for each one, We think
you are just the one to do
this. Will you please do this
right away as I believe the
stones come to be ordered very
soon, as I saw in in Moran's
style and not very large it
cannot be very elaborate
Just something to tell who they
were. You'll know better

them Mary or I can
Get - S. & S. ready
after Uncle's W. of - you
not have them all made out
Mary & S. can both be
help in working at Day
that help with
all made out
Do better plan for Mary
expect me to make clear
up on this response of Day
