the package I
paid for & I have
receipt

Wednesday -

Dear Cousin Ellen!

I have sent
this a.m. a small
box for Eddie contain-
ing a school-suit
some every-day shirt-
waists + a new pair
of shoes. I have bought
them at my earliest
opportunity for I know
he needs them badly.
Will you please try
them on as soon as

you can do so.
The sleeves of his coat
& the pants always
have to be shortened
sometimes. several
inches. Probably
Mr. Gifford can do
it neatly. If it can-
not be made to fit
him at all will you
kindly return it
to me at 5 West 83rd
also the shoes if they
are not plenty large.
I think however they
are all as near as
I can fit him -
I am so sorry not

To enclose a bit of something
for each of the dear children
or rather that bit of blacking
for cousin Willie with I assure
you that I have been either too busy
or too tired almost to think -

Will is very poorly and I am
very antsy and every minute but
as if it would end the human best.
With much love for you - my
precious constant friend & only
darling my John Garvie -
