

My dear Elsie. Your good letter
was received last evening Sep 10th
I note all you say about the
Summit School, but I hope
Dr White is mistaken for
we had already decided to
send the children there.

I am not sorry for I have
very pleasant impressions
of Miss Watts, and her
Mother, who is housekeeper.

Miss W. Poir. The place is
very homelike and the
girls will have a lovely large
room with two beds, two wash
stands, two large bureaus &c

At any rate we can try
Miss Sinclair one of the
teachers. Susan Larned
says is lovely & bright &
and we have heard it
very highly spoken of.

Miss Watts taught Grace
Porter for two years, and the
Porters are delighted that
we decided to send to Sumner

I have made arrangements for
the girls to have their "wheels" re-
Friday. Ed. brought Mother. De
and several of us to Lake Hapsat
cong. I wished so much for Mithis
all this week, I hope you are all well
and happy. Thank you so very much
for all the kindness to the children this summer

I love you so much
