

Dear Papa, Mama is
so busy that she has not
time to write to you, so
she has asked me to write.
We are all well. Mrs. Coomb
is here and stayed with us
last night. Harriet has
not returned. Matilda is
here. Mama, Coribel Mary
and I went to the Chris-
tian Endeavor anniversary
last evening. The chapel was
full and the meeting was very
good. Mama says there are
several letters for you in
today's mail and she sends
you the only two of any impor-
tance. We all send our love
to you. Your loving daughter

Return to Bridgeton N. J.
