

Albany, N. Y.

Dear Seldon :-

I thank you
very much for the
mat which you
sent me. It was
just what we needed.
We will think every
time we use it. Which
will be very often.

I was very sorry
to hear that our

Sunday School class
was all broken up.
I had hoped that, that
nice large class, of
boys, would stay to-
gether, and be a
great help to the
Sunday School, but
even if they are not
together, I know they
are all good boys, and
trying to do as
much good as they can.

I wish you could see our
baby boy Kenneth. He is
only a tiny boy, but we
hope he will grow to be
a Sunday School boy like
my fifteen Sunday School boys
in Berlin.

Seldom I would love to
get a long letter from you
telling me about your
School work, and all about
all of the boys that were
in our Sunday School class.

Wishing you a very, very
Happy New Year and
with kind regards to your mother
I am lovingly
Mrs. Joan Crawford.

December Twenty-ninth.
