Dear Curley,-

At last, I am send-  
ing you the ten dollars you  
lent me last summer. I am  
very sorry you haven't had  
it before, but you know how  
my money has gone and how  
slow it has been coming  
in. If you borrowed from  
Billie a while ago when  
I couldn't send it to you,  
you had better return it to

him, now; hadn't you?

I added fifty cents, be-  
cause I always meant to  
send you a little "thank you"  
of that sort for your trouble  
in packing up things for  
me last year.

How are you getting on  
in your work? ~~Some~~ Miss  
Keefe me awfully busy -  
particularly right now with  
the new Semester requiring  
and examination papers  
and grades to attend to.

Have you any plans

In next summer? We must  
 get as much money together  
 as possible of Susan Elvins  
 wedding; what about me? There  
 will be company then and  
 many extra expenses. I may  
 possibly teach; but that de-  
 pends entirely upon whether  
 the places I have written to  
 either of them want me. Of  
 course I shall be home the  
 latter part of the summer.

Do you see much of Milie  
 and Evelina?

There has been skating here

the last three or four days, the first this year, and the ice is melting fast now. Of course, I have not been, as I don't skate and it is a particularly busy time for me.

There is not very much going on here that would be interesting to you to hear about. Did Ellen tell you about the house Bill is planning to build? I think it is going to be lovely. I'm quite excited over it.

Well, good-bye. Lots

of love to my <sup>5</sup> Aunty from his  
affectionate Nephew,

Wm. Meyer Bulden.

Please write me as soon  
as you get this draft, so  
that I shall not be worried  
over it.
