

Mother's Day
Greetings!

ALL THAT'S LOVABLE AND TRUE
ALL THAT'S GOOD AND PURE AND KIND,
EVER WITH EACH THOUGHT OF YOU
IN MY HEART WILL BE ENSHRINED!

This exactly states my feelings about you, precious;
only it doesn't give half the qualities that you have —
it's true as far as it goes. But your wisdom, Lady,
and your intellectual quality I value just as much.
Cards made for mothers in general would be bound
to have too few points to describe you, Lady, because
you're not an average kind of mother. I wonder
if there ever was another to equal you. I love you
so, darling, and I'm so grateful for you.
