

Bridgeton, N. J. Oct. 20, 1896

Dear Mrs. Belden,

Herewith I enclose a copy of resolutions passed by the Session of our Church last evening.

I take this opportunity to extend my personal sympathy & sorrow in your bereavement. You know better than I can tell you where to look for comfort. I think you can take great consolation in the thought that though he will not return to you, you will go to him.

Mrs. More joins me in sending love and sympathy to yourself and children.

Sincerely Yours,

Chas. B. More.

The Session of The West Presbyterian Church of Bridgeton, N. J. at a meeting held October 19th 1896, passed the following resolutions.

Resolved:

That we have heard of the death of the Rev. William H. Belden a former pastor of this Church with sincere sorrow.

We recognize that he was an earnest and faithful pastor, an able preacher and one who was always loyal to the Church and denomination,

We especially record his zealous missionary spirit, which led him indeed to active work in the foreign field and which ever enthused his life in after days.

We extend our sincere sorrow
and sympathy to his family
in the hour of their bereavement
and pray that the presence of
the Comforter may be with them.

By order of the Session,
Lohas. B. Moore,
Clerk.
