

Aunt Mary to Aunty's - but she  
said she would rather wait for  
me. She seem very happy & is a  
great pleasure to all of us, but  
if you really want her, she  
can go - Clara will be going  
west in Dec. & could help  
her on the way - but we want  
to keep her if you & Lou are  
willing. I believe I forgot to  
say - what I really started to  
write for & that is that if one  
of the Lewis will put up the  
mats from Miss S - I will be  
much obliged, I have been  
wanting them for weeks - Jerry  
sent them to me to em. for he

Just put them in a package  
or Envelope, so I may see  
them very soon - I was going  
to write to the Twins, but as always  
I am in a great hurry, and  
Erangelin & Eschina are  
waiting to take my letter, I have  
much to say - I was going to  
send you money for two of the  
Annelys, but have n't got it  
in convenient shape but  
will do so soon.

Yours lovingly,

Mother.
