

Tuesday

Evelina went at 12³⁰ today, J. M. & Selden accompanying her to Bellevue land. She will go on to Huntsbury & Jeanne Marie & Selden I expect back about 6 this eve.

Your letter with Ellen's enclosed has come. Dobbs Ferry may pay toll, but some College would be better not to Woolley Western.

I have not seen the Tragers since Mr. W's return. Mr. W's subject (20 minutes at the N. Y. Alumni Banquet) was "The New Education". Mrs. W. told me about it. The subject was not his choice, nor preference.
