

My Dear Mrs. Belden -

I found after
I wrote you this half sheet -
from the Ladies - I hope it
has not inconvenienced you, in
any way, in not receiving it.

I can only write this scrap now
hoping later on to tell you of
the good things we have had.

Mr. Bond will doubtless give
you full account of the meeting.

We missed you on every hand,
So sorry you could not be with
us - a smaller meeting than
last year, but, fully as good -
Yes, I think better -

Love to all the family

Mostly yours

M. S. Thayer
