

Dearest Ellie

I received your
very interesting letter on
Saturday. You had quite
a Ball at Mrs Warner's
did you not. I will take
a couple of Illustrated
Homey Proverbs. May has
not yet seen your letter
neither here I said any
thing to her about it. She
expected to go to Philadelphia
this noon. Tomorrow
probably to Delvidice &

Thursday 8th Nov. How lovely the the people in Bude are, and Mrs Brown's! I can imagine how she felt when she parted with the clothes her dear boy wore, I hope Willie will see & take good care to keep them nicely for their mother sake trying to substitute the good boy who wore them.

Mrs Ingers gift and Edie and all the other things I feel truly thankful to our Father & Mother. John has so let his children. I'm glad that the girls have coats provided for the winter. How about their

hats, if they need best ones let me know, and I'm sure Carrie can get them seamlessly in U.S. please let me know or tell the girls to write very soon. I will pay for them. Carrie has some money I lent her, I think the over coat must have needed a good deal of taking in for the Cross but it will be as good as new. I am glad you can keep Mrs Brown. I hope our good boy Selden is quite well by his side I wish I could see him this minute.

I did want the "Spread" for
Clena when she was fixing her
room but now she has it all
arranged. I did not mean
you to pay for my work, but
the money for Exp- for Erdy
clothes. I told Miss S- to
me her bill, but of course you
could not know as I did not

say so. I think it is dry
Ev. a great deal of good
her. & then it is good for
the other children too
for they all depended so
much upon her, and
it will help Willie to
better himself. I hope
I asked her this morning
she wanted to go with
