

THEODORE F. WURTS,
CIVIL ENGINEER,

Bridgeton, N. J., 6/15 1889

Dear Mr Belden

I was quite sick last evening
& unable to attend proper meeting.

Mr May shoemaker brot in over
\$100 today. If the others would
do as well we would have
money to spare

Is this \$800 on the year '89?

Sincerely yours

T. F. W.
