Dear Christian Friends

I  
want to tell you how I thank  
God is in our midst - Last  
night all seemed to feel His  
divine Presence - It was a good  
thing to be there - Dear Bro-in  
Christ come up to the help of  
the Lord - stars may & I  
believe "I will not doubt"  
be added to your crown by coming  
to our assistance - pungent  
earnest sermons will give the

power over the adversary to  
take up their cross & flee  
to Jesus - Why I could go  
& plead to each un-  
-converted soul to flee  
the wrath to come & it  
does seem to me as if  
God is so merciful He  
will not let any be lost  
who are un-converted  
in His temple. Those who  
come rightly to listen to  
His word. We had prayed  
so earnestly for God would  
show down His blessing  
on our church when we  
re-opened it & ~~but~~ it  
was hardly opened  
untill people flocked  
in & the members said  
do not stop the meetings  
now mayhap God is  
opening a way for you  
to have your hearts rejoiced  
& you are earnestly  
invited here to right &  
travelling right & in set at all  
There were those who said  
last night I expected to  
hear Mr Bellon & were  
so disappointed - faces  
to whom you have spoken  
to heretofore & to whom you  
have broken the Bread of  
Life - The Spirit & the  
Bride say Come, all
