My dear Mr. Belden

Yours of some weeks since
was received in due time and would
have been answered sooner, but I have
been away on business -

I referred your letter to the Boardman
& Son and enclose herewith their reply.
I think you will have no difficulty in
getting your policies as you wish - by going
to the home office taking your policies with you
some time when you are in the city -
and they will know better than I first
what is needed. I am sure it can be
done by your wife signing an agreement
to that effect, that is resigning to whom
the money is to be paid in case of her
death - your children having died young.
If you have any difficulty in getting it
fixed as you wish write to me again
and I will do anything in my power
for you in this matter.

We are having delightful weather here with
the Sanatorium full of people. Mrs Kingsbury
and I have both been quite ill but are
now in usual health. Dr McCommon
& wife have been called upon to part from
their little one and the blow was very
severe. Dr & Mrs Foster are in Florida
The other people of your acquaintance
here are generally well I believe.

Please remember me to your wife
and believe me

Yours very truly

Dr. H. Kingsbury
