Rev. W. H. Belden

Dear Sir:

Your Postal &
Letter of 21st inst rec^d this morning.

The arrangement to have Mr. Smart
supply us on Sabbath is satisfac-
tory & we are under obligations
to you for your kind services in the
matter - Under the circumstances
we will expect Mr. Scott or your
self - for Dec^r 2nd

With you, we regret that you
cannot at present find any date
when it will be in your power to
visit our Church - We hope

It will be convenient for you
to come Decr 2nd. There are
reasons why indefinite delay
is somewhat embarrassing -
Our plans for the future are
at present dependent upon
your complying ^{with} our in-
vitation - We would be much
pleased to have it in our power
to announce next Sabbath that
you would be with us on the
1st Sabbath in December - Our
Churches - Methodist, Baptist &
Pres. hold their Monthly Union
Meeting on that Eve'g & you would
have a larger audience than
otherwise. Trusting for an ^{early} relief from
"hindrances" - Truly Yours
A. W. Voorhees

If not delivered within 10 days, to be returned to

Mr. Voorhees -

Recd. Fri. Nov. 23 (9am) 1883.
